

Good Catch Form

A 'Good Catch' is a potential hazard or incident that has not resulted in any personal injury or property damage. Some examples of Good Catches are unsafe conditions, improper use of equipment, use of faulty equipment, not following proper procedures.... It is everyone's responsibility to report and correct any of these potential hazards immediately. Please use this form to report Good Catches and assist us in preventing incidences and making West Contracting Co a safer place to work.
